ORDER

THIS MATTER is before the Court upon another motion of the defendant pro se for a sentence reduction under 18 U.S.C. § 3582(c)(1)(A). (Doc. No. 103).

The Court denied the defendant's previous motion, (Doc. No. 79), and motion for reconsideration, (Doc. No. 95), which raised similar issues, (Doc. No. 92, 96: Orders). Those decisions were affirmed on appeal. (Doc. No. 101: Opinion). The information in the instant motion is insufficient overcome the Court's previous findings that he failed to establish extraordinary and compelling reasons to reduce his sentence and to show that he would not pose danger to the community upon his release.

IT IS, THEREFORE, ORDERED that the defendant's motion, (Doc. No. 103), is **DENIED**.

The Clerk is directed to certify copies of this Order to the defendant and the United States Attorney.

Signed: June 16, 2022

Robert J. Conrad, Jr.
United States District Judge
